

R E M A R K S

- Claims **1-24, 27-30, 33 and 35** are pending
- Claims **1-24, 27-30, 33 and 35** are rejected
- Claims **1, 30, 33, and 35** are the only independent claims

A. Double Patenting Rejection

All of pending Claims **1-24, 27-30, 33 and 35** stand “rejected under the judicially created doctrine of obviousness-type double patenting” as being unpatentable over specified claims of U.S. Patent No. 6,567,787 alone or in combination with other cited references.

We do not agree with this rejection. However, a terminal disclaimer is filed concurrently herewith solely to expedite the prosecution of the present application. Accordingly, the double patenting rejections of Claims **1-24, 27-30, 33 and 35**, which all rely on Patent No. 6,567,787, are moot.

As there are no other grounds for rejecting any of the pending claims, we respectfully request allowance of the pending Claims **1-24, 27-30, 33 and 35**.

B. Conclusion

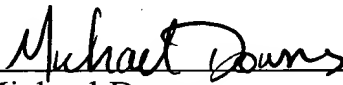

It is submitted that all of the claims are in condition for allowance. The Examiner's early re-examination and reconsideration are respectfully requested.

Please charge any fees that may be required for this Amendment to Deposit Account No. 50-0271. Furthermore, should an extension of time be required, please grant any extension of time which may be required to make this Amendment timely, and please charge any fee for such an extension to Deposit Account No. 50-0271.

If the Examiner has any questions regarding this amendment or the present application, the Examiner is cordially requested to contact Michael Downs at telephone number (203) 461-7292 or via electronic mail at mdowns@walkerdigital.com.

Respectfully submitted,
